

Foluck Magic Book!

When designing a product, it's all about magic!

From origination inspiration, selection of various themes, using applicable materials, 2D and 3D drawings, market research, experimental samples, safety assurance, packaging methods, mold making to mass production planning and so on, every link is interlocking. Behind the development, it is necessary to the most important thing is a strong development team. For nearly 4 decades, Foluck's design team has been maintaining continuous innovation, not giving up all possibilities, and bringing more life fun for big and little children. It also helps our clients to achieve their magical projects and have amazing sales results.

In this magic book, you can get a glimpse of many interesting examples, the birth of future stars stems from the persistence of our design team and the mobilization of suitable manufacturers. We believe that the power of imagination and realization of ideas is the driving force for changing the world. Any ideas you may have would be more than welcome to brainstorm with us!

MELOW
OUT

The image features the text "MELOW OUT" in a playful, bubbly font. The letter "M" is uniquely designed to resemble a cat's face, complete with whiskers, a nose, and a smiling mouth. The text is rendered in a light teal color with a thick white outline and a darker teal drop shadow, giving it a 3D effect. The background is a vibrant yellow, decorated with white, swirling, concentric lines that create a hypnotic, tunnel-like visual effect.
